Student's Name _____

FIRST GRADE SUMMER READING

Each student is required to read 10 AR books this summer. If your child is reading, they need to read books that they are comfortable with. Also, spend time enjoying books together. We are aware that not every child is independently reading at this point. To ensure that a book is an AR book, you may want to visit the website www.arbookfind.com or www.relearn.com.

Your child is to do a book report on one of the books. This should include the title, author, a picture of their favorite part, and one sentence about the book. This is to be turned in on the first day of first grade.

Please use the bottom of this sheet to record the 10 books your child reads. Please bring this sheet to school on the first day of school along with the book report.

TITLE OF BOOK	AUTHOR
