

Throughout the month of October pre-k 3- along with the 3rd grade will be collecting supplies to donate to the Hancock County animal shelter for our service project! As you can imagine it costs a lot of money and takes a lot of supplies to house and care for over 200 animals. Any donations you can make will be greatly appreciated! If your child brings in a donation they may “trick or treat” and get a treat out of our treasure box as a “thank you!” You may bring donations to the front entrance, cafeteria entrance or the preschool pod playground entrance.

“Animal shelters operate on a very tight budget and rely heavily on monetary donations for day to day operations. If you are interesting in donating to our shelter, please contact us by phone at 228-466-4516. Any little bit helps and we appreciate any and all of your support!”
