

Kindergarten Newsletter February 22, 2021

Our theme this week and next week will be “Space.” We will be making paper airplanes, celebrating solar day, learning about astronauts’ life in space, and the planets. **We will need an empty cereal box for a control panel. Please send in each by Friday.** Students are welcome to bring in space related items and DVDs to display at our “Space Station.”

This week in **Math** we will be comparing sets, building with shapes, and adding and subtracting, all centered around our unit on space. In our **Language** center, we will introduce Magic-e, learn how to draw conclusions, and review the action part of a sentence.

This week in **Religion** the children will learn that “We Care About Others As Jesus Did”.

Mass and Show-and-Tell on Wednesday.

Show-and-Tell: Students are invited to bring an educational object that coordinates with our theme for show-and-tell.

Dupree – Students with **first** name **H – T**

Martin – Students with **first** name **I - Z**

**If your child forgets their show-and-tell, they may bring it on their next turn
