### Field Day - March 22

Field day will be the Wednesday, March 22nd. We are asking room moms to coordinate snacks for the day. We will have two community snack stations, one where the younger grades are participating and one for the older grades.

**All children will need to bring their water bottle.** We will have a water refill station set up at the community snack station. We will also have throwaway cups for those that forget their water bottles. We are asking for each grade to bring one type of item. The items that your grade brings will be divided equally between the two snack stations.

Field day is also Kona Ice. Kona Ice will be considered a station. **PTO will be purchasing a Kona Ice for each STUDENT!**

**Volunteers** should stay to meet Coach V in the back of the gym following prayer and pledge, where she will assign stations. Field day will start following prayer and pledge until approximately lunchtime. Please let volunteers know that they will be assigned a station where all of the classes will rotate through for the activity. If a volunteer is only able to come for a certain portion, they can come as they are able.
