## PRAAYER

Dear Jesus,

Learning to be attentive to the person who is talking is difficult. Help me to get a little better every day so that I can show others the respect they deserve as children of God. While You were on earth, You had to listen to many people every day and You always showed them courtesy and patience. Grant me the grace to imitate You!

Amen.

## Courtesy Looks

Like:

- practicing not saying anything

letting someone finish without interrupting

listening well when others speak

Ex: Do you wait until the other person has finished what they are saying before adding a thought?

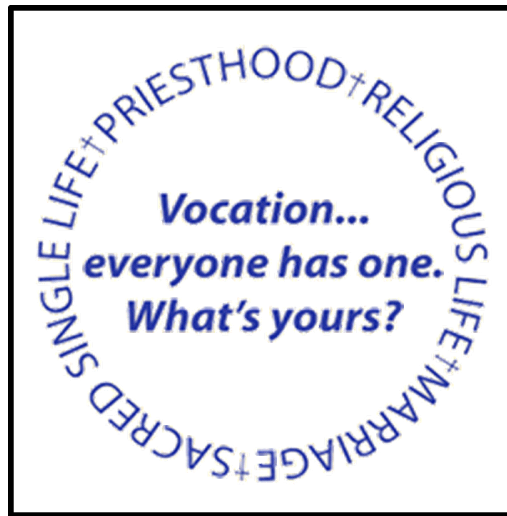

Do I listen attentively?

Do I talking to others when my teacher is speaking?
