**\*\*The school Advisory Council is currently working on budget and the goal is to keep tuition affordable while providing an excellent educational opportunity. Tuition rates are subject to change, but at a minimal rate.**

**\*\*If you wish to be considered for Tuition Assistance, please contact your Parish Office as soon as possible.**

**\*\*For subsidized rate (Catholic rate), download form from school website or your enrollment packet. This packet must be signed by your priest and returned by May 30th**

All tuition rates are significantly lower than the actual cost of education. This lower tuition is a result of parish support and income from fundraising events such as Knight to Remember, Knights Club, PTO, Carnival Association of Long Beach, and St. Paul Carnival Association.

### **Parish Rate of Tuition**

Parish tuition rates are afforded to in-parish practicing Catholics and must be applied for each school year. Parish families consist of those families who are registered, active, contributing members of Holy Family, St. Thomas the Apostle, Most Holy Trinity, Our Mother of Mercy, Sacred Heart in Dedeaux, St. Ann, or St. John. All families will be registered at the standard rate until their application has been evaluated by the pastors and returned to the school.

### **Tuition Assistance**

Please note, financial assistance is not available for Preschool tuition.

In addition to subsidy, some tuition assistance may be available through your parish for those with financial hardship. **Only St. Thomas and Holy Family parishioners** are asked to complete the Facts Grant & Aid Assessment Online Application for consideration. Parishioners from all other Parishes must contact their pastor for tuition assistance consideration. For St. Thomas & Holy Family parishioners, the FACTS Grant & Aid applications must be completed in March for the following school year. There is an application fee. FACTS will review the application and return a suggested rate of tuition to the parish office by May 1. Assistance is based on need and availability of funds.
