

5th Grade Summer Reading Assignment

This summer, all students will read the novel Wonder by RJ Palacio. This is a 4.8 grade-level AR book worth 11 points. Students will be tested on comprehension and writing skills during the first week of school. Students *MAY* take the AR test if they want to. Please note the movie *DOES NOT* correspond to the novel, so get started reading early. If you need to borrow a book for the summer, please email Mrs. Acosta if you are in Mrs. Brennan's class and Mrs. Mink if you are in Ms. Bermond's class before the end of the school year.
